## BRIJMOHAN AGRAWAL

Member of Parliament (Lok Sabha)

Raipur (Chhattisgarh)

Ex Cabinet Minister, Govt. of Chhattisgarh

No 170/Member of Parliament, 08 Raipur Lok Sabha

New Delhi, Date 30/07/2025

**Subject : For the construction of Kendriya Vihar in Capital Raipur, Chhattisgarh**

*बृजमोहन अग्रवाल*

CGEWHO (Central Government Employees Welfare Housing Organization) is conducting a demand survey **for construction of new Kendriya Vihars in more than 16 cities** across India. These **no-profit housing units are known for their well planned location** and quality construction, which is increasing the demand and interest among government employees.

Looking at the rapid progress of Chhattisgarh, increasing population and demand for quality housing among employees of Central, State, Public Sector Undertakings and other Government organizations, I propose to **develop a scheme in Raipur, the capital of Chhattisgarh state**. This project **should be located in the middle of the city** so that employees and their families will have **easy access** to all the important places of the capital like their respective offices, hospitals, educational institutions, railway station, airport and **public and commercial places** of public amenities like parks, markets, entertainment places etc. and this is the reason why this project will be successful.

Keeping the above in mind, **at least 1000 flats in all categories** should be constructed in the middle of Raipur city.

You are requested to consider the above proposal and it would be appropriate if you also inform me about the necessary action taken in this regard.

Regards,

*Brijmohan Agrawal*
